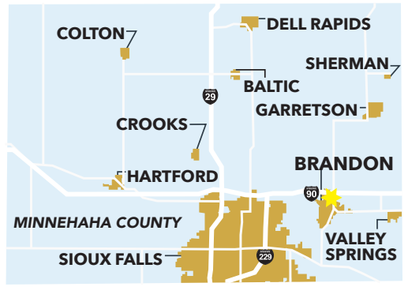
## BRANDON, SD
## *MINNEHAHA COUNTY*



Brandon is a next-door neighbor to Sioux Falls, with driving time less than five minutes from some parts of Sioux Falls.

With the recent economic boom that has happened in Sioux Falls, the close proximity has given Brandon many great opportunities for economic development and quick rate of economic growth.

Whether you want a unique shopping experience, a fun day out with the kids, a leisurely picnic at a park or just a place to relax - Brandon has it all. Brandon offers an opportunity to enjoy life in one of South Dakota's finest communities.

Brandon has strong commercial and industrial sectors, and a strong community to match. The newly-formed Empower Brandon community strategic action group is working to promote community-based planning for the future of the city.

Brandon is the perfect place to be, within minutes of a bigger city with a promising future. If you want to learn more about Brandon, find the City of Brandon on Facebook, Twitter, or their city website, brandonsd.com.
